...about us

SnäpZ is a multi-award winning company producing tasty and unique products. Over the years, SnäpZ have been leaders in creating innovative snacks where simplicity is at the core. We just take the ingredients and we don't mess around with them.

...our unique technology

We have developed a pioneering vacuum dehydration method which allows us to take the moisture out at a low temperature to create a tasty crunchy light healthy snack.

...our eye-catching shipper displays

Energise your retail space with our impactful SnäpZ Super Tree! Fun, bright and functional, this display has mass customer appeal and is an exciting way to merchandise and sell your products!
